Subject: AWPR Survey

Dear Sheona,

Thank you for the opportunity to put my position forward regarding the AWPR.

From speaking to local people, it is clear that opinion on the matter is divided. Some people have told me that they preferred the previous Murtle route, some have expressed support for a route to the west of Culter whilst others have told me they don't support the road at all.

What I can do if elected after Thursday's election is to press for the Public Local Inquiry to be held as quickly as possible.

This will give everyone an opportunity to have their say and for all options to be given full, and most importantly public scrutiny.

Regards.
