Dear Ms Warnock

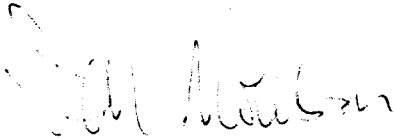

Thank you for your letter of 20 April regarding the Aberdeen Western Peripheral Route and the Stonehaven fast link.

I am aware that all the major parties support the building of the road. My personal opinion is that an Aberdeen by-pass is long overdue. Accordingly I also support the principle of the AWPR. However, I do not have a view on which particular option is best.

I do believe that all reasonable steps should be taken to minimise the impact on those who will live near the route.

I hope this is helpful.

Yours sincerely,

Ian Mollison
